LIFE

The issue of life far more than a political issue; it is a _____ issue as well and one that you and I need to understand.

1. Life is _____ by God.

(Genesis 1:26-27; Psalm 139:13-16; Jeremiah 1:5)

God is the _____ of life. Therefore, God has the ultimate _____ over human life.

God decides who will be born, when, & how He will use them to fulfill His _____.

2. Life is a _____ from God.

(Genesis 30:1-2, 22-24; 33:5; 1 Samuel 1:5, 19-20; Psalm 127:3-5; 1 Chronicles 26:5)

Parents are only _____ that God uses!

Children are by God's _____. Scripture teaches us that God both _____ and _____ the womb!

Children are not a liability or _____, but a _____ and we must treat them as such!

Our primary responsibility as parents is to teach our children about God to give them a firm _____ on which to build their lives.

If God does not open the womb for you – He may bless you in _____ ways! God's plans are not the same for everybody and He does not bless everyone in the same ways!

3. Life must be _____ and _____.

We must _____ for life!

We stand for life by...

1. _____ it! (Genesis 1:28; Genesis 9:1; Phil. 4:19)

2. _____ it! (Exodus 20:13)

3. _____ it!
