Mark 10:43-45

1. Son of Man died for _____.
- a. His service reveals His _____.
- b. His service reveals His _____.

Jesus desired to glorify God by doing _____ to others.

2. Sons of Zebedee desired _____.
- a. Their request revealed their _____.
- b. Their request revealed their _____.

James and John desired to obtain _____ from the service of Jesus.

3. Son of Timaeus was desperate for _____.
- a. His request revealed his _____.
- b. His request revealed his _____.

Bartimaeus desired to obtain _____ from the service of Jesus.

Jesus asked all three of them the same question: "What do you want me to do for you?" The sons of Zebedee wanted majesty, while the son of Timaeus wanted mercy. The first request exalted the recipients while the other request exalted the giver. One request glorified God while the other sought to use God for self-glory.
