Real _____ naturally expresses itself in the marriage bed!

The Marriage Bed is....

2. _____ (v.3-4)

Spouses' mutual authority over each other's bodies is _____; it lasts throughout marriage.

Your _____ attitude towards your spouse should always be to meet their needs in this area and vice versa!

If this is the case both of your needs will be met!

In order to meet each other's needs, we must understand the _____ between men and women! Men are generally more _____, and women are generally more _____.

When you can say no...

The only exception that exists to this is both _____ and temporary. Both the ideas of a specific period of _____ and of a specific purpose of _____ are implied. (v.5)

The marriage bed is a _____ against Satan and his attacks on marriage! Frequent trips to the marriage bed protects each other from the temptation for _____ sin.

We can never cause our spouse to _____ in the area of sexual immorality – that is an individual choice, but we can _____ them in that direction!

Obstacles to the marriage bed:

1. _____
2. _____
3. _____
4. _____.

Homework

1. Ask your spouse: "In the marriage bed – am I a more selfish lover or more of a servant lover? In other words – ask your spouse – Are your sexual needs getting met?
2. Are there any obstacles that are hindering your time in the marriage bed? What changes need to be made?
3. Talk about how frequently you need to enjoy the marriage bed! Practice makes perfect...Spend some time in the marriage bed.
